

PDMP-i Implementation Report: Q2 2021

This report provides information on implementation efforts and continued adoption of integrated access to the PDMP database (or PDMP-i), a joint initiative sponsored by HIT Commons and OHA.

The graphs below show successful requests from PDMP users and facilities in Oregon within the last 18 months.

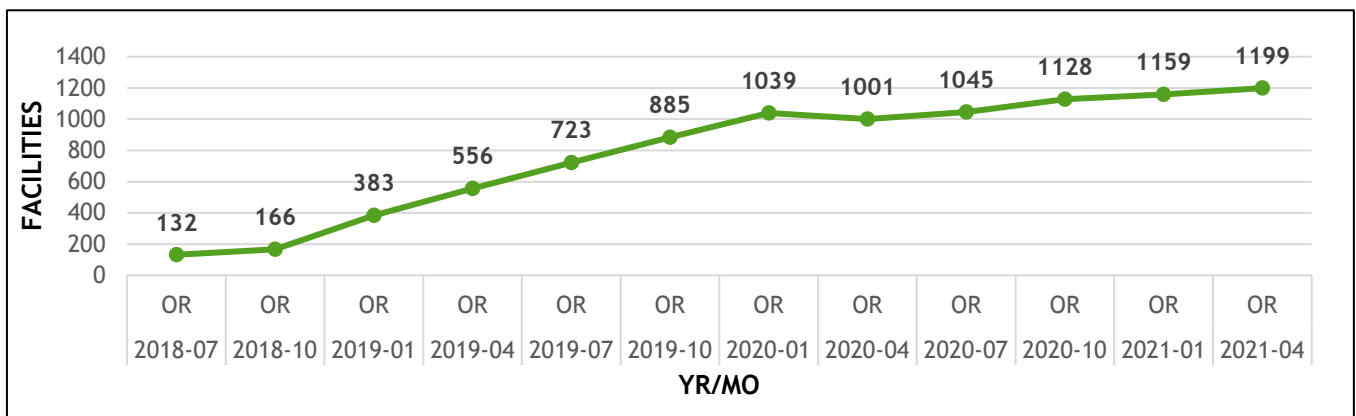

This quarter, there were **24 new integrations** allowing PDMP-i access via EDIE*, their electronic health record or a pharmacy setting. View the full list of 222 organizations on page 2.

USERS ACCESSING PDMP-I OVER TIME

A user is defined as a PDMP-registered prescriber with a successful request return from PMP Aware.

FACILITIES ACCESSING GATEWAY OVER TIME

A facility is defined as any entity request using a unique ID corresponding to their Gateway license.
