

## PDMP Integration Implementation Report: Q3 2021

This report provides information on implementation efforts and continued adoption of integrated access to the PDMP database, a joint initiative sponsored by HIT Commons and OHA.

The graphs below show successful requests from PDMP users and facilities in Oregon within the last 18 months.

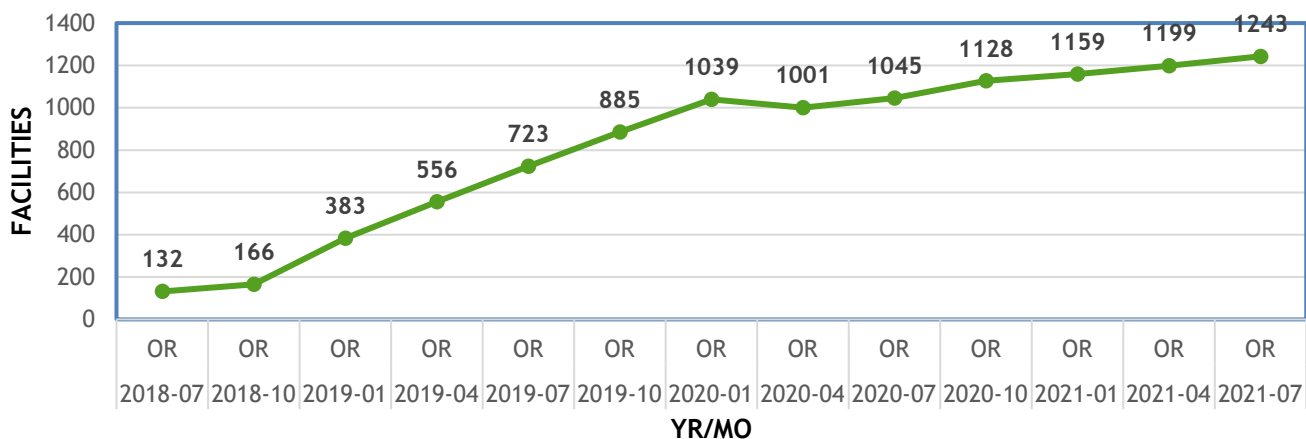

This quarter, there were **30 new integrations** allowing PDMP-i access via EDIE\*, their electronic health record or via a pharmacy setting. [Click here](#) to view the full list of 274 organizations.

### USERS ACCESSING PDMP-I OVER TIME

*A user is defined as a PDMP-registered prescriber with a successful request return from PMP Aware.*

### FACILITIES ACCESSING GATEWAY OVER TIME

*A facility is defined as any entity request using a unique ID corresponding to their Gateway license.*

*\*Represents organizations who have access to PDMP through the Emergency Department Information Exchange (EDIE) Utility. More information on EDIE can be found [here](#).*
