

Goal #1: Reduce costs and increase efficiency of administrative processes

ENHANCE ADMINISTRATIVE SIMPLIFICATION

Reduce cost and increase efficiency of administrative processes.

- Continue to monitor Advanced EOB and Electronic pre-auth regulations for collaboration opportunities.
- Administrative Simplification has transitioned to meeting on an Ad Hoc basis.

Goal #2: Improve quality and increase value through implementation of evidence based best practices

SUPPORT BEST PRACTICE TREATMENT OF SUBSTANCE USE DISORDER

Develop, align, and communicate policies and recommendations that support best practice management of substance use disorder

- The Alcohol Use Disorder Tip Sheet for primary care providers is in the final stages of review and will be distributed in early 2022.
- Work continues on the Medications for Opioid Use Disorder Toolkit for emergency department providers. The baseline assessment will be conducted, and analysis will be available in early 2022.

REDUCE UNNECESSARY OVERUSE OF HEALTH CARE SERVICES

Analyze data and develop aligned strategies to reduce potentially unnecessary, low value services

- Evaluating adoption of the Vitamin D Testing Clinical Guideline through annual statewide and quarterly system level data analysis
- Vitamin D reports were enhanced through the inclusion of clinic-level data and unblinded comparison reporting
- Beginning work on new low-value care guidance for uncomplicated headache imaging

IMPROVE CLINICAL USE OF TELEHEALTH SERVICES

Identify, communicate, and support implementation of clinical best practice use of telehealth services

- The Pediatric Primary Care Telehealth Recommendations are finalized and will be distributed statewide in February 2022.

SUPPORT COMPREHENSIVE PRIMARY CARE (CPC+) INITIATIVE

Provide financial support and strategic input to CPC+ participants in Oregon

- CPC+ Payer Group has concluded its 5-year collaboration. The final report is currently available and analysis on Behavioral Health and Care Transitions will be disseminated in January 2022.
- Leverage CPC+ work to inform state-wide Value Based Payment strategy.

Goal #3: Accelerate and advance HIT optimized health care delivery

HIT COMMONS

Provide management services and operational infrastructure to support identified HIT Commons initiatives

- HIT Commons Governance has approved its 2022 Strategic Priorities and has begun applying a process to review and prioritize new projects and use cases to enhance the value to its members.
- Invoices for 2022 Assessments have been sent to all members and are due 1/31/2022.
- HIT Commons is also assisting OHA's Office of Health I.T. in its development its strategy update.

PRESCRIPTION DRUG MONITORING PROGRAM (PDMP) INTEGRATION

Increase the use of PDMP data at the point of care by enabling access to PDMP information within prescriber's and dispensing pharmacist's clinical workflow

- Integration requests continue to rise, especially among behavioral health, dental and specialty practices.
- 571 entities and over 20,000 Oregon prescribers are live with integrated PDMP including EDIE, EHR and pharmacy IT
- A new educational e-mail campaign will begin in Q1 of 2022.

EMERGENCY DEPARTMENT INFORMATION EXCHANGE

Leverage the use of real-time ED and IP utilization information to support efforts aimed at reducing unnecessary emergency department utilization and improving cross-organizational care coordination

- Community collaboration: Virtual convening continued throughout 2021 to support organizations in COVID-19 response. Webinars, collaboratives, and toolkits posted here: <https://orhealthleadershipcouncil.org/edie-utility-learning-resources-and-webinars/>
- Use cases: Statewide COVID-19 positive data and Vaccine Status data (including 3rd Doses and Pediatric Doses) being regularly shared from OHA Public Health to EDIE/Collective Platform to support pandemic response.
- Technical infrastructure: Hospital ADT feed review ongoing; EDIE notifications streamlined in response to ED provider feedback. Use Case development and prioritization process refined for 2022.
- Data & outcomes: Over 750 connected entities using Collective network. EDIE Steering monitoring quarterly utilization data as COVID recovery emerges. Quarterly dashboards including county-level Mental Health and Substance Use trends posted here: <https://orhealthleadershipcouncil.org/edie-utility-data-and-reports/>

Goal #4: Develop, implement, and monitor Community Information Exchange (CIE)

CONNECT OREGON CIE

Continue to build and monitor common, statewide technical infrastructure for social needs screening and referrals among clinical providers and community-based organizations (CBOs)

- Connect Oregon live and serving 19 Oregon counties. In 2022, will expand into 35/36 Oregon counties.
- OHLC regularly convenes Statewide Funders Advisory Committee (SFAC) to prioritize efforts and track implementation. Assisting with convening of regional governance bodies to support statewide network

Goal #5: Develop and implement strategies for sustainable health care funding

COST GROWTH TARGET

Continue to synchronize statewide healthcare cost sustainability

- Collaborate with OHA on Cost Growth Target work (SB 889 implementation), specifically co-sponsoring Value Based Payment (VBP) workgroup.
- VBP Work group work beginning. Updates can be found at: [OHLC Value-based Payment Compact](#)
