

PDMP Integration Implementation Report: Q3 2022

This report provides information on implementation efforts and continued adoption of integrated access to the PDMP database, a joint initiative sponsored by HIT Commons and OHA.

The graphs below show successful requests from PDMP users and facilities in Oregon within the last 18 months**.

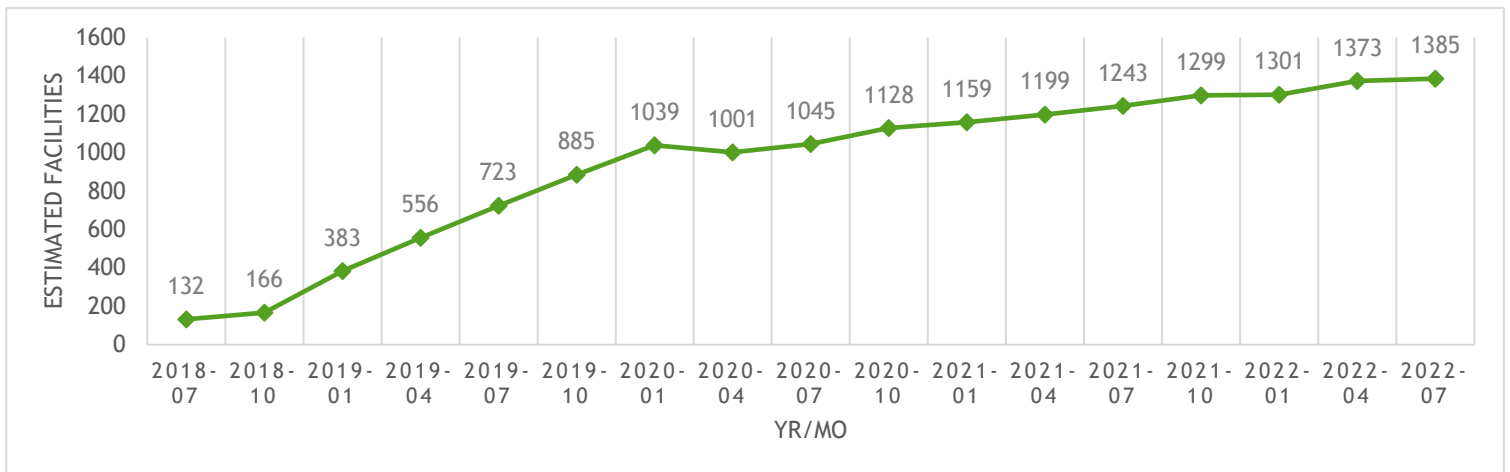

This quarter, there were **25 new integrations** allowing PDMP-i access via EDIE*, their electronic health record or via a pharmacy setting. [Click here](#) to view the full list of 385 organizations.

USERS ACCESSING PDMP-I OVER TIME

A user is defined as a PDMP-registered prescriber with a successful request return from PMP Aware.

FACILITIES ACCESSING GATEWAY OVER TIME

A facility is defined as any entity request using a unique ID corresponding to their Gateway license.

*Represents organizations who have access to PDMP through the Emergency Department Information Exchange (EDIE) Utility.

More information on EDIE can be found [here](#).

**Each graph below displays quarterly data points each reflecting the number of successful requests within the previous 18 months.
