

## **EDIE Utility Initiative 2023 Steering Committee Priorities**

### **Priority #1: Learning**

- Collaboratives (e.g., Post-Acute Care, Behavioral Health, Whole Person Care, Payer)
- Best Practices Webinars (to support prioritized use cases)
- Lunch and Learn sessions (TBD)

### **Priority #2: Access and Information**

- Quarterly HIT Commons e-Newsletter
- Quarterly ED Utilization Dashboards
- HIT Commons Website Resources and Toolkits
- Collective Medical: “Collective Community” Website

### **Priority #3: Technical Strategies and Infrastructure**

- Monitoring and improvement of Hospital ADT feeds (*ongoing*)
- Post-Acute Care ADT Feed Improvements (*new*)
- Oregon State Hospital ADT feed (*new*)
- Information and resources to support SMART on FHIR integration (*ongoing*)

### **Priority #4: Operational Use-Cases (as suggested by EDIE Steering & prioritized by HIT Governance)**

- Per prioritized Use Cases
